Founded in 2007 by **American Designers Caitlin and Samuel Dowe-Sandes**, Popham Design stands as a renowned design studio and workshop based in the heart of Morocco.

Popham Design is a collection of handcrafted luxury pieces for the home that embody the **artistry of Marrakech's artisans**, harmoniously uniting beautiful materials such as brass, leather, and stone.

The concept is simple, to honor and preserve the rich heritage of traditional artisan craftsmanship while updating it with modern patterns and color combinations.
