Lighting Collection

Warm lamps, whether
they are switched on or off.

Our goal is to create
warm lamps, whether they
are switched on or off.

Nuestro objetivo es crear lámparas cálidas,
tanto encendidas como apagadas.

LIGHTING COLLECTION

Our lamp collections stand out for their use of wood and warm materials, always handcrafted in Barcelona. We design lamps dressed in noble materials, intended to create warm and elegant atmospheres in both public and residential interior design projects.

Our goal is to create warm lamps, whether they are switched on or off.

Nuestras colecciones de lámparas destacan por el uso de la madera, trabajada de forma artesanal en Barcelona. Diseñamos lámparas vestidas con materiales nobles, destinadas a crear atmósferas cálidas y elegantes en proyectos de interiorismo públicos y residenciales.

Autumn Collection

Andrés Martínez

The Autumn collection is characterized by filtering light through natural wood shades, creating a warm and serene atmosphere that transports us to a cozy autumn afternoon.

La colección Autumn se caracteriza por filtrar la luz a través de láminas de madera natural, creando una atmósfera cálida y serena que nos transporta a una hogareña tarde de otoño.

Beyond its function as a luminaire, the collection provides a sense of warmth that appeals to rest and reflection.

Más allá de su función como luminaria, la colección proporciona una sensación de calidez que invita al descanso y la reflexión.

Available in floor, table, pendant and wall lamp versions.
Disponible en versión de pie, sobremesa, colgante y aplique.

Catay Collection

Goula Figuera

Catay is the name of this collection that combines the elegance of walnut wood with the warmth of paper, which casts a diffused and gentle light.

Catay es el nombre de esta colección que combina la elegancia de la madera de nogal con la calidez de un papel que proyecta una luz tamizada y amable.

The design of Catay, created by Goula Figuera studio, is available in both table and floor versions.

El diseño de Catay, obra del estudio Goula Figuera, está disponible en versión de sobremesa o de pie.

The collection stands out for striking a balance between a minimalist, contemporary form, and an oriental-inspired aesthetic, handcrafted with an impeccable finish.

La colección destaca por encontrar el equilibrio entre una forma minimalista y contemporánea con una estética de inspiración oriental, de fabricación artesanal y acabado impecable.

Tamíz Collection

Andrés Martínez

Tamíz fuses the warmth of translucent wood shade with the softness of fabrics, creating lamps that filter light in a unique way.

Tamíz fusiona la calidez de las hojas de madera translúcida con la suavidad de las telas, creando lámparas que filtran la luz de una manera única.

Tamíz not only illuminates, but also wraps the environment with a soft, warm light that invites you to relax.

Tamíz no solo ilumina, sino que envuelve el entorno con una luz suave y cálida que invita a la calma.

Onfa Collection

Goula Figuera

The Onfa models involves an ingenious technique with magnet, that allows us to easily direct the light.

La Colección de lámparas Onfa incorpora una ingeniosa idea basada en un imán, que permite enfocar y dirigir la luz fácilmente.

We design lamps dressed in noble materials,
intended to create warm and elegant atmospheres.

Diseñamos lámparas vestidas con materiales
nobles, destinadas a crear atmósferas cálidas.

The clever magnet system of the Onfa Wall model allows the spotlight to be moved in any direction, making it easy to create the desired atmosphere and adapt to various needs.

El ingenioso sistema de imanes del modelo Onfa Wall permite mover el foco en cualquier dirección, lo que facilita crear diferentes atmósferas y adaptarse a distintas necesidades.
